Ms. Atkins is a seasoned business-woman and entrepreneur with two decades of experience serving on boards of public companies. She currently serves on the boards of Wynn Resorts (NASDAQ: WYNN), SL Green (NYSE: SLG) and Volvo Car Corporation (private). Ms. Atkins has a global, broad perspective on energy from her previous roles as Lead Director at SunPower Corporation (NASDAQ: SPWR), and Schneider Electric S.E (SU:EN Paris) as well as from her years of experience as an innovative founder of several successful high-tech, energy and consumer companies including, Ascend Communications and Clear Standards Inc. "I am delighted to welcome Ms. Atkins to our board at these exciting times. We are confident that her leadership and extensive board experience, coupled with a vast global perspective will contribute to our continued growth," stated Mr. Nadav Zafir, Chairman of the Board. "I am so honored to join the board of SolarEdge – I am excited to join them in their mission as a leader in smart home energy with relentless focus on innovation that drives future progress. I look forward to partnering with the Board as the company continues to advance smart energy," said Ms. Atkins.

About SolarEdge

SolarEdge is a global leader in smart energy. By leveraging world-class engineering capabilities and with a relentless focus on innovation, SolarEdge creates smart energy solutions that power our lives and drive future progress. SolarEdge developed an intelligent inverter solution that changed the way power is harvested and managed in photovoltaic (PV) systems. The SolarEdge DC optimized inverter seeks to maximize power generation while lowering the cost of energy produced by the PV system. Continuing to advance smart energy, SolarEdge addresses a broad range of energy market segments through its PV, storage, EV charging, batteries, UPS, electric vehicle powertrains, and grid services solutions.
